

Mobility

Reliability you can count on!

Businesses around the world rely on an increasingly mobile workforce. Mobility is redefining the workplace as the borders between personal and professional, home and office, device and application disappear. Omni Business Solutions offers a wide variety of mobility solutions that gives users access to the information and resources they need with the quality and performance.

Access e-mail, calendar, contacts, tasks, and shared content.

Quickly access sales information, product and organizational data in any database.

Provide at-a-glance performance monitoring for accelerated action.

Support decision-making with automatic alerts and automatically refreshed data.

Remove the requirement to be near a desktop to view critical data.
